

We're searching for Volunteers

Can you spare a couple of hours a month to make Goxhill Parish Roads a safer place for ALL road users?

It has been identified by Humberside Police that Goxhill has the worst speed offending rate in the Humberside region under Community Speed Watch. We need to keep our roads safe for the sake of the children, the elderly, Horse riders and cyclists in the village.

Fact:

At 30mp there is a 60% survival rate in the event of an accident.

At 40mph there is a 20% survival rate in the event of an accident.

Full training will be given by Humberside Police. Speedwatch operates in groups of three people so groups of friends are encouraged.

We're searching for Volunteers

Can you spare a couple of hours a month to make our Parish a Safer Place?

Volunteers will be trained by the police on how to use a "speed gun" and will be required to monitor traffic speed in locations around the village.

Warning letters are sent to the registered owner of the offending vehicles with subsequent offending being treated in a stronger way.
